

Bless the Members of this people's House with strength, fortitude, and patience. Fill their hearts with charity, their minds with understanding, and their wills with courage.

In the work to be done now, may they rise together to accomplish what is best for our great Nation and, indeed, for all the world, for you have blessed us with many graces and given us the responsibility of being a light shining on a hill.

On this feast of St. Blaise, may all Members be healed of every infirmity of their throat.

May all that is done this day be for Your greater honor and glory.

Amen.

CONGRATULATIONS CAROL JOHNSON

(Mr. WILSON of South Carolina asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. WILSON of South Carolina. Mr. Speaker, last week the National Safety Council honored Carol Johnson, president and CEO of Savannah River Nuclear Solutions, with their annual CEOs Who Get It award.

This award recognizes leaders who have built a positive safety protocol through leadership and employee engagement, safety management solutions, risk reduction, and performance measurement.

Ms. Johnson was recognized for her focus on safety SRNS, promoting a positive culture and continuously implementing safety measures at the site. She was commended by the Department of Energy for her role in recognizing and correcting safety errors.

This achievement represents Carol's strong commitment to prioritize safety for every employee and every task with fulfilling jobs.

I appreciate Carol's dedication to the employees of SRNS. Her focus on safety strengthens the community and makes the Central Savannah River area a world-class place to live and work. She has truly exemplified the goal of continuous improvement with zero harm. Congratulations to Carol on this well-deserved recognition and award.

In conclusion, God bless our troops, and may the President by his actions never forget September the 11th in the global war on terrorism.

STANDING WITH THE FAMILIES OF COLGAN FLIGHT 3407

(Mr. HIGGINS asked and was given permission to address the House for 1 minute.)

Mr. HIGGINS. Mr. Speaker, next Friday will mark the seventh anniversary of the crash of Continental Colgan Flight 3407.

The cause of the accident was pilot error due to inexperience. The families of those who were lost fought for and won reforms that require pilots to be sufficiently experienced before they are entrusted with the safety of the flying public.

But regional airlines are trying to roll back these higher standards, claiming that they cannot find enough experienced pilots. That is simply not true. The airlines would see that if they increased starting salaries for pilots from \$16,000 a year to a level commensurate with the responsibility they are given.

Yesterday the Western New York congressional delegation stood with the families to serve notice that we will relentlessly oppose any attempt to water down these reforms. We will honor those who died by ensuring that never again will our loved ones be entrusted with inexperienced pilots.

ISRAELI DEFENSE FORCE LIEUTENANT HADAR GOLDIN

(Ms. ROS-LEHTINEN asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. ROS-LEHTINEN. Mr. Speaker, yesterday I had the honor of meeting Simha and Leah Goldin. They are the parents of Israeli Defense Force Lieutenant Hadar Goldin, and they have started the campaign Bring Hadar Home.

Hours after the declaration of the international brokered cease-fire to the 2014 Gaza conflict, Hamas terrorists murdered Lieutenant Goldin and dragged his body deep into one of the underground tunnels in Gaza.

A year and a half after this brave and patriotic young man's murder, the family still languishes in limbo, unable to give Hadar a proper burial because Hamas is holding his body hostage.

This was a cease-fire entered into by Israel at the urging of Secretary Kerry and the U.N., and they should bear

some responsibility for securing Hadar's return home to Israel.

We have noticed how little Hamas regards human life by its indiscriminate rocket attacks against innocent Israeli citizens and by holding Palestinian citizens as human shields.

We must demand Hadar's return home and support the Goldin family in its efforts to give Hadar a proper burial and put an end to this nightmare.

D-STRONG

(Mr. CICILLINE asked and was given permission to address the House for 1 minute.)

Mr. CICILLINE. Mr. Speaker, I rise today to honor Dorian Murray, an 8-year-old boy from Westerly, Rhode Island, who was diagnosed with a rare tissue and bone cancer. After learning in December that his disease was no longer treatable, Dorian told his father that his goal was to become famous all around the world.

In recent weeks, after his parents posted his request on Facebook, the world has responded. People in China, Italy, Brazil, Germany, and other countries have come together to post their messages of support for Dorian during his courageous fight against cancer.

Dorian's hashtag, #DStrong, has now been viewed on social media platforms by millions and millions of people.

I am keeping Dorian, his mom Melissa, and his dad Chris in my thoughts and prayers.

Today the United States House of Representatives is D-Strong.

MIKE MIRON—FARMER OF TOMORROW

(Mr. EMMER of Minnesota asked and was given permission to address the House for 1 minute.)

Mr. EMMER of Minnesota. Mr. Speaker, I rise today to celebrate Mike Miron of Hugo, who recently won the Young Farmers and Ranchers Excellence in Agricultural national competition at the American Farm Bureau Federation's annual meeting.

Mike is the fifth generation to work in his family's dairy and crop farm. In addition, he is also a high school teacher and Future Farmers of America adviser in Forest Lake, Minnesota.

Agriculture is one of the more important sectors of the American economy. Thanks to farmers who are educators, like Mike Miron, my State of Minnesota is a national leader in agriculture.

We need to celebrate the hard-working men and women who contribute to agriculture in Minnesota and all across this Nation.

Thank you, Mike, for what you have done and what you continue to do for agriculture today and tomorrow, and congratulations for your Excellence in Agriculture.
